

ADVICE AND CLAIM MANAGEMENT SERVICE  
& RECOVERIES

is at your disposal  
for *20 years* !

### A WORD FROM THE CEO

Dear friends,

It is by leaving a major insurance broker of the French Market, after having also acquired a great experience at the Comité des Assureurs Maritimes, that I founded in 2000:

#### **MARINE CONSULTANT**

My aim was for the firm to become an independent actor at the disposal of traders, insurers, cargo interests to :

- Analyse their needs in terms of maritime cargo insurance (audit)
- Advise them in the execution of contracts: prevention, analysis of the possible damages, appointment of surveyors and follow up of their survey.
- Negotiate guarantees.
- Exercise recoveries against the Shipowners, Charterers, P&I Clubs, Stevedores, Freight Forwarders.
- Assist them with General Average proceedings.

The amicable or legal claims are conducted on a **"NO WIN, NO FEE"** basis.

Your loyalty over the past 20 years is our best reward.

Our choice is to keep being present by your side.

You can count on Marine Consultant's team.
